## MEMORANDUM FOR:

Janet

*For West  
Point, 4/14  
File.*

There will be at least three different groups from West Point visiting on April 14th. So far, we have confirmed only with the Arabic Language Club. Russian and Chinese clubs will be formally requesting visits shortly. Others may too. They will arrive at 1:30 on their own bus. They will send names and verifications of Secret clearances at least 3 weeks prior. I will arrange later for NFAC analysts to talk to the different groups at 1:30 or so. [REDACTED] will speak to them beginning at 3. We will have to reserve the auditorium for him from 3 to 4:30. Later, we will have to reserve separate rooms for the area briefings.

There is another West Point group coming on February 17th. They will have an Agency escort, and will have informal meetings with a few analysts. I am also making those arrangements. You should keep any paper on this visit separate from the April 14th one.

Dear Major Lang:

I have made arrangements for the West Point Arabic Language Club to visit CIA on the afternoon of April 14. One of our senior specialists in Middle Eastern military affairs will make a presentation. If you wish, I can open the visit with a presentation on CIA and the intelligence process. Please let me know how much time to allocate for your visit and I will also need the names of the cadets and verification of their clearances.

Last year I made similar arrangements for the West Point French, German, Russian, and Chinese Language Clubs. I would appreciate it if you would check with the faculty advisers of those and other clubs to determine if they also plan to request visits to CIA this year. If more than one club plans to be here at the same time, I would prefer to make all of the arrangements through a central contact. Thank you.

I look forward to our meeting in April.

Sincerely,

STATINTL

Dear Sir:

The Arabic Language Club of the United States Military Academy is planning a trip to Washington, D.C. from 14 to 16 April. We would be interested in a briefing on the organization and work involved in the Central Intelligence Agency, especially where it concerns Middle East military affairs.

The best time for us to come would be Friday afternoon, the fourteenth of April, around 1400 hours. The total number of cadets involved would be approximately thirty-five (35), all of whom possess a secret security clearance. I hope this time and date suit your schedule.

Please advise us if a visit would be possible, and if there are any procedures or requirements necessary to make this visit possible. Thank you.

Sincerely yours,

  
Major Walter P. Lang  
Officer-in-Charge  
Arabic Club
